

# Using 'OURSCHOOL' Data to Improve Educational Outcomes in Saskatchewan and Using Your 'OURSCHOOL' Data to Understand Your students and Develop Strategic Plans

---

Keynote: October 1 12:45-1:30 PM

In this session Jacqueline will review the most recent data from the OURSCHOOL Survey. She will reflect on how Saskatchewan is doing and what we need to do to improve to achieve higher rates of Grade 12 Graduation for our students.

Breakout: October 1 1:45 – 2:40

In this session, participants will bring in their own OURSCHOOL data from their schools and work through a process of understanding and strategic planning with Jacqueline. ***\*Please bring your own OURSCHOOL to this session or you can use provincial data from Jacqueline to participate in this session.\****
